

### Product Description

LEDirect 19W PAR38 is designed and uses the latest LED technology. Its innovative thermal solution and proprietary driving circuit has made this lamp one of the leading PAR lamps in the industry. LEDirect 19W PAR38 is capable of providing luminance equivalent to a 80 Watt incandescent while using only 23% of power consumption.

Specifically designed for its optic delivery at the highest level of light and quality, this lamp can be valued by the most demanding lighting professionals. This lamp is ideal for high profile lighting applications, such as museums, jewelry stores, boutiques, restaurants, etc.

Replace your existing PAR38 with LEDirect PAR38 today and experience benefits such as a lower electric bill, lower maintenance costs, and more durability. This lamp is also more beneficial to the environment as it has reduced levels of CO2 emission and does not contain UV or IR.

### Benefits & Features

1. CREE LED technology
2. Compatible with most TRIAC dimmers
3. Low Lumen Depreciation  
L70 >25,000hrs
4. Low Power Consumption
5. High Color Rendering Index (CRI)
6. 40,000 hrs Rated Lifetime
7. 3 Year Warranty
8. CE, FCC, cULus
9. RoHS Compliant
10. LM-79, LM-80 Ready

### Energy Saving & CO2 Reduction

	Incandescent	PAR38L
Power Consumption	80W	19W
Energy Saving	--	77%
CO2 Emission (Annually)	392 kg	90 kg

### Specifications

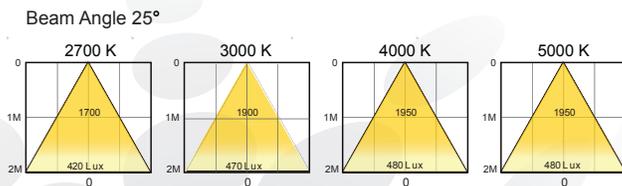

Base	E26
CCT	2700K / 3000K / 4000K / 5000K
CRI	(TYP) >80
Beam Angle	25°
Lumens	2700K : 720lm 3000K : 820lm 4000K : 800lm 5000K : 820lm
Power Consumption	19W
Voltage	120V
Power Factor	>0.7
Weight	12.51 oz

### Order Codes

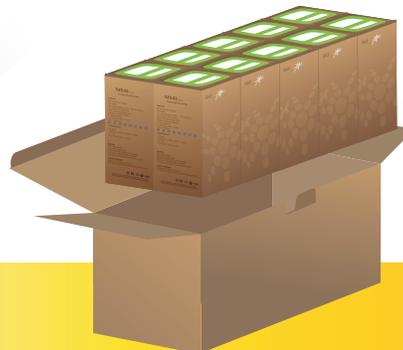

CCT	Beam Angle	Item #	Order Codes	Case Qty	Availability
2700K	25°	5600	LHO-19PAR38/DIM/NFL/27K	10	November 2010
3000K	25°	5597	*LHO-19PAR38/DIM/NFL/30K	10	Special Order
4000K	25°	5598	LHO-19PAR38/DIM/NFL/40K	10	November 2010
5000K	25°	5599	*LHO-19PAR38/DIM/NFL/50K	10	Special Order

\*Non Stock item requires special order
