

PRODUCT DESCRIPTION

NaturaLED 6W MR16 is designed and used the latest LED technology. Its innovative thermal solution and proprietary driving circuit has made this lamp one of the leading MR16 lamps in the industry.

Specifically designed for its optic delivery at the highest level of light and quality, this lamp can be valued by the most demanding lighting professionals. This lamp is ideal for high profile lighting applications, such as museums, jewelry stores, boutiques, restaurants, etc.

Replace your existing MR 16 with NaturaLED 6W MR16 today and experience benefits such as a lower electric bill, lower maintenance costs, and more durability. This lamp is also more beneficial to the environment as it has reduced levels of CO2 emission and does not contain UV or IR.

BENEFITS & FEATURES

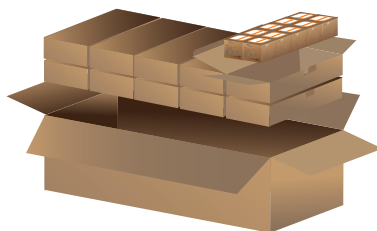

CREE LED technology, High Efficient Driver Inside, Low Lumen Depreciation, Low Power Consumption, 25,000 hrs Rated Lifetime, 3 Year Warranty, FCC, cULus, RoHS Compliant, LM-79, LM-80 Ready, *Dimmability depends on dimmer and transformer*.

ENERGY SAVING & CO2 REDUCTION

	Incandescent	LED MR16
Power Consumption	35W	6W
Energy Saving	--	82%

PACKAGE

Packaging Qty - 1 : 10 : 100

ORDER CODES

CCT	Beam Angle	Item #	Order Codes	Case Qty
2700K	30°	5634	LED6MR16/NFL/27K	10
3000K	30°	5635	LED6MR16/NFL/30K	10
4000K	30°	5636	LED6MR16/NFL/40K	10

MODEL

LED-6W MR16

SPECIFICATIONS

Base	GU5.3
CCT	2700/3000/4000
CRI	> 80
Beam Angle	30°
Lumen Output	2700K : 300Lm 3000K : 320Lm 4000K : 320Lm
Power Consumption	6W
Voltage	12V AC/DC
Weight	1.86 oz
